PRO LIFE FRUIT CAKES...Our fruit cakes have been a very popular fundraiser, so we are counting on everyone's support yet again. The cakes will again be at a price of \$25, which is very reasonable thanks to the generosity of Pastry World in Yorkton who are only charging us for the ingredients: donating their time and facility. They plan to have these cakes ready for delivery by the end of September. NOTE: it works well to cut up the cake into serving sized pieces that freeze well in zip loc bags in appropriate portions. They also make a very tasty gift. We want to wind up this project ASAP so please talk to Maxine Baskey to reserve your cakes ASAP. Thank you in advance for supporting the Pro Life cause: respecting life from conception to natural death. God's blessings...

Fund Raiser: Proceeds for new hymnals – Hand crocheted afghan donated by Marty Panchyshyn. Tickets are for sale \$2.00 each or 3 for \$5.00, to be drawn in November 2018. **Thank you Marty.**

Alzheimer Tea at United Church raised **\$791.53**

Vocation Corner *Twenty – sixth Sunday of the Year – B*

A Vocation View: Some people do not respond to God's call because they feel they are not worthy to do God's work. And they are not - nobody is! But still God calls. There is enough ministry for many more. Answer God's call.

Prayer: For the grace of prayerful determination on the part of all those discerning our Heavenly Father's will, especially those considering a vocation to the priesthood or the consecrated life, we pray to the Lord.

Action: One thing I would like people to do in their discernment is to find a spiritual director who is compassionate to them and is willing to help them to find the community which is good for them. Don't forget to pray to God for his guidance. *Brother Tello Vu, T.O.R., 2014 Diocese of Orlando interview*

We are called upon to help turn our country back towards God and to protect life, marriage and the family. On October 7th, the feast of Our Lady of the Rosary, nations around the world will be united in praying the rosary simultaneously for the intention of their own nation and the world. This is being called the Coast to Coast Rosary. It is said that Mary is humankind's greatest intercessor, so we need to call on her at this time to bring light to our world. If possible 3:00 is the targeted time in our Time Zone to be praying in unison universally, but if another time works better, then that's all good, too. Let's work together to storm heaven!!

Openness and Generosity

"Is it white or black"? "I'm right and you're wrong"! Unlike us, God sees things differently. The thread of today's texts begins with the words of Eldad and Medad. Inspired by the Spirit, they prophesied in the camp of the Israelites. Joshua insisted that they stop but Moses saw a great opportunity for all Israelites to become prophets. The same situation is repeated in the Gospel where someone has just cast out

evil spirits in Jesus' name. Christ replied that if someone acted in God's name, they also acted in His name. His disciples were concerned that their share of their *inheritance* would be too small and they wanted to reduce the circle of heirs!

We have all received the gifts of the Spirit. God spreads these gifts in abundance according to each person's vocation. Let's examine our own lives. How many times have we had this desire to hinder other people from achieving? Pride has a strong hold on us. Too often we only see another's mistakes.

We also remember that Jesus said ordinary gestures, such as giving a glass of water, would be rewarded. Acting in Jesus' name does not mean we work miracles, but we should credit the Source of our actions. You can, humbly and without pride, affirm that you act on Christ's behalf because you have invited Him to reside within you.

Pope Francis frequently says that he himself is a sinner and asks us to pray for him. He asks this at almost every appearance. Jesus opens our hearts and encourages us to reach out to our brothers and sisters in our daily lives. Learning to be free of societal constraints and expectations and following Christ's teachings will require conscious and, at times, difficult efforts.

Yet nothing will deter us if we are focused on love. Talent, money, fame, glory - these values are all good provided they do not distract us from imitating Christ. However, these secondary items must never become our reason for living, or prevent us from focusing on our heavenly home. With prayer and effort, openness and generosity will guide us.

As baptized people and therefore missionaries, we proclaim the Good News. The thread of these passages leads us on the road "*in Jesus' name*". His disciples understood Christ's teachings. Moses said: *Would that all the Lord's people were Prophets, and that the Lord would put his spirit on them* (Num 11:29). We are witnesses to the power of love that transforms our human reality.
